

March 15, 1973 - Thurs.

Dear Vicki and Jim,

The telephone call was so nice to get the other night. Thank you very much. Dad and I are really thinking of coming to see you in July and also probably play a game or two in the Nationals. To see you will be the main reason for coming.

Last night we went to the Harvard East theatre on Capitol Hill to see the Swedish film about the immigrants. We really enjoyed it and we both had read the book.

We have to have the floor in the kitchen repaired and new floor covering. An insurance adjuster is coming today and if the problem is caused from the dishwasher leaking, our homeowners policy will pay for part of it.

Tonight dad is going to work late and I am going to play bridge with Anabel Sanborn who lives in New York now but is in Bellevue right now to see her first grandchild.

Mary is getting along fine and she is
glad the session is going to be
continued for two months. They went
to Ocean Shores last week end and
had a good time.

Spring seems to be here and there
is lots of work to do in the yard.
I am anxious to get started.

I saw Betty Strandberg Wednesday
at bridge. Mike is back in town.

Ruth and Jim just got back from
their trip to Mexico and they had a
wonderful time.

I hope everything is going along
fine for you and I hope we get
to see you in July.

Love,
Mom.
